Dear Sunil,

I am extremely thankful to you for your gracious efforts to make the Wedding of my Son "AJAY" a grand success.

The entire function was performed to a meticulous precision right from morning to late night. All the guests, complimented the proceedings and the quality and deliciousness of food in particular.

A word of compliment for Mrs. Sushma Tipnis may not be out of way. Her soft spoken nature, but at the same time her quality of exercising her authority and keeping watchful eye from behind on everything, is worth mentioning.

Once again, I thank both of you profusely, and look forward to further associate with you at the earliest opportunity.

With warm regards,

(SATISH RAJADHYAKSHA)
